OFFICE OF THE
PLAGUE COMMISSIONER IN MYSORE.

No. 2673. Dated Bangalore, 12th October 1898
13th

From

THE PLAGUE COMMISSIONER IN MYSORE.

To The Secretary to the Government of Mysore
Revenue and General Departments.

Sir,

I have the honor to state that Mr Sparkes, Deputy Commissioner Kolar District has in his letter No $\frac{1459}{1089}$ dated 10th October 18, requested that Mr Hume Wright Special Magistrate, Kolar Gold Fields may be appointed Plague Officer for the Gold Fields under Regulation 26A Notificatio 1289 – Misc. 21-96 dated 25th July 1898. in addition to his own duties.

As I believe that it is under the contemplation of Government

No reflexion/paper on this subject.

to

to appoint at an early date a Special European Officer for plague duty at the Gold Fields I am of opinion that it will be possible for Mr Hume Wright when thus assisted to attend to these additional duties without prejudice to his judicial work as Special Magistrate and on this understanding I would recommend the appointment being made. In view of the necessity of every possible protection being afforded the Gold Fields I would urge on Government the desirability of passing very early orders both as regards Mr Hume-Wright's appointment as Plague Officer under Regulation 26 (A) quoted above and

and also of a European Assistant Plague Officer for duty under him under regulation (26 B) of the said notification.

I have the honor to be,
Sir,
Your most obedient servant
